MAIN PAGE

The page features the W3C logo and the title "W3C Markup Service". Below it is a form with fields for "문서": "http://www.w3.org/TR/html5/section.html", "제작자": "한국언어문화원", and "문서 형식": "HTML". A button labeled "체크하기" (Check) is present. A note below the form reads: "Interested in "developing" your website standards? Visit W3C's Authoring Profiles and Conformance Program. Learn how to code the right way by reading HTML5 and applying its 24 basic Web standards. Find out more." A "Contact and help us build better web" link is also provided.

SUB PAGE

This sub-page displays the W3C logo and the title "W3C Markup Service". It includes a form with fields for "문서": "http://www.w3.org/TR/html5/section.html", "제작자": "한국언어문화원", and "문서 형식": "HTML". A note below the form reads: "The W3C Validator relies on community support for testing and documenting. Details and help us build better web." A "Check" button is located at the bottom.

LOGIN PAGE

The login page shows the W3C logo and the title "W3C Markup Service". It contains a form with fields for "Email": "w3c@w3c.org", "Password": "password", and "Login": "로그인". A note below the form reads: "Interested in "developing" your website standards? Visit W3C's Authoring Profiles and Conformance Program. Learn how to code the right way by reading HTML5 and applying its 24 basic Web standards. Find out more." A "Check" button is located at the bottom.
